Release Date: January 27, 2012

Construction on U.S. 17 ACE Basin Parkway Segment 2

On Segment 2 of the U.S. 17 ACE Basin Parkway Widening project in Colleton County Pon Pon Plantation Avenue (S-167) will be closed at its intersection with US 17 beginning at 7:00 AM, Thursday, February 2, 2012 to construct the intersection with US 17. A detour will be in effect to maintain and control traffic while this work is conducted.

Motorists are urged to use caution while in the construction zone.

All motorists traveling through this area of the project are asked to be aware of equipment and crews in the vicinity of the roadway.

The public is also asked to notice traffic control signs, reductions in speed limits and message board information, and to note that all road work is dependent on the weather.
