

Adopt-A-Street Program

The Adopt-A-Street Program encourages homeowners/business, industry, civic, youth and nonprofit organizations to adopt their street for monthly litter control. Ideally, the selected street is in their neighborhood, or has a mix of both residential and commercial property.

Adopt-A-Street allows citizens to demonstrate community pride, make a positive statement for a clean, attractive community and help keep City of Waltherboro litter free. We the City of Waltherboro and the City Appearance Board hope this program will be highly effective in the community, by demonstrating a personal responsibility along with your new attitude regarding littering.

What Adopt-A-Street Family's Do

1. Sign an agreement to adopt their street.
2. Make a commitment to do a cleanup at least once a month, following safety rules.
3. Be responsible for disposing of collected litter properly. This should be done by the City of Waltherboro's weekly trash pick-up.
4. **Monthly data reports stating the number of bags collected, weight of each bag and hours spent collecting LITTER.**

Please email results to: cleancitywalterboro@gmail.com or fax to: (843) 542-2512.

5. Picture can also be sent to cleancitywalterboro@gmail.com.
